

2015 HYUNDAI

VELOSTER

GENRE-BENDING. CORNER-STRAIGHTENING. HEAD-TURNING. THERE'S NOTHING QUITE LIKE VELOSTER.

Some cars simply aren't made for the meek. Step inside the Hyundai Veloster or Veloster Turbo, and you'll stand out. Its stylish lines and funky-yet-functional 3-door coupe configuration was unlike anything else on the road when it first appeared in 2011, leading the Chicago Athenaeum: Museum of Architecture and Design to honor Veloster with the coveted GOOD DESIGN Award given to global product designs that advance new, visionary and innovative concepts.¹

Fast forward to today, and the 2015 Veloster is still separating itself from the crowd. Step on the gas, and feel how eagerly it accelerates off the line. That's Gasoline Direct Injection giving its 1.6-liter engine a stunning combination of 138 horsepower and outstanding fuel economy. Even more stunning? Veloster Turbo, with its twin-scroll turbocharger that boosts "own the road" performance to the tune of 201 horsepower. Getting to all of that turbo power is easy and fun, thanks to sporty paddle shifters for the 6-speed automatic transmission.

Now look around you. A cockpit flush with technology is surrounded by one of the roomiest and most versatile interiors in its segment.² Need to see behind you? No problem: A rearview camera comes standard on Veloster.

2014 Kelley Blue Book

**5-Year
Cost to Own
Awards**
—KBB.com—

"By virtue of claiming a 5-year Cost to Own Award two years running, the 2014 Hyundai Veloster (Turbo) can officially add class-topping value to its already impressive repertoire."

VELOSTER Tech Package in Century White

HYUNDAI BLUE LINK Our innovative telematics system lets you search for points of interest using voice commands and download them to the navigation system. If your Veloster is stolen, Blue Link can immobilize it. A mobile app even lets you lock, unlock and start your car remotely. For a full list of features, visit HyundaiBlueLink.com.

TECH PACKAGE An available Turbo Tech Package adds useful features like an advanced navigation system, backup warning sensors, a 115V outlet, automatic headlights, automatic temperature control and a panoramic sunroof that opens up the sky to both the front and rear-seat passengers at the press of a button.

VELOSTER TURBO Tech Package in Black Leather

Modern Design

ROOM WITH A VIEWPOINT.

The Veloster and Veloster Turbo are like nothing else on the road. Inside, Veloster's got class-leading room. Its space is filled with ideas about making technology more accessible. Veloster comes standard with the largest LCD touchscreen in its compact sporty class – your portal to SiriusXM® Satellite Radio,¹ Pandora® Internet Radio, Hyundai's Blue Link® telematics, and more.²

Want to plug in and play? Connection options let you play Xbox® in the comfort of your parked car. The Veloster Turbo and RE:FLEX Edition both come standard with a 450-Watt Dimension® premium audio system that deploys 8 speakers, including an 8-inch subwoofer and an external amp, to fill the cockpit with rich, crisp sound.

Veloster Turbo owners will also appreciate the way Active Sound Design reveals the engine's sporty character inside the cockpit when you summon up to 201 horses of turbocharged power. It's music to a driving enthusiast's ears.

VELOSTER PREMIUM AUDIO

450 Watts

¹ All SiriusXM services require a subscription, sold separately by SiriusXM after a free 3-month trial period. Fees and taxes apply. All fees and programming are subject to change. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ² Only use Blue Link and corresponding devices when it is safe to do so. Blue Link is available on most 2015 Hyundai vehicles. Blue Link subscription service agreement required. Features vary by subscription plan. Blue Link service works using CDMA-based cellular networks in the 50 United States. Blue Link service is not available where there is no cellular coverage, particularly in enclosed or remote areas. Service availability may be affected by signal strength, foliage, weather, topographical conditions (mountains) and nearby structures (tall buildings, tunnels) and other factors. For additional details and system limitations visit HyundaiBlueLink.com. ³ Standard on Veloster Turbo, optional on Base model. ⁴ Optional on Veloster Base and Turbo models.

“Best of all, the Veloster comes with a bounty of standard equipment, and its EPA fuel-economy figures are more in line with a frugal econobox than a sporty head-turner.”

– KELLEY BLUE BOOK’S KBB.COM¹

VELOSTER TURBO R-SPEC A Turbo R-Spec model sharpens Veloster’s performance edge with more steering responsiveness, more aggressive suspension tuning and a B&M Racing® Sport Shifter for the 6-speed manual. All of which maximizes Veloster’s performance to put you in closer touch with the road.

OPEN UP, FOLD DOWN Fold down the 60/40 split rear seatbacks, swing open the hatch in back...and the 34.7 cubic feet you’ve just made available can be stuffed with a dozen duffel bags, a mountain bike, or several snowboards. Even with the rear seats up, there’s plenty of room for making the most of your road trips.

VELOSTER TURBO in Matte Gray

Distinctive Engineering

THE SUBSTANCE BEHIND THE STYLE.

Pop the hood of a Veloster. That's not just any engine – it's Hyundai's 1.6-liter Gasoline Direct Injection powerplant that optimizes horsepower and fuel economy while improving combustion for lower emissions. If you're looking at a Veloster Turbo, then you are gazing at an intercooled twin-scroll turbocharged design so advanced, it's the same one we've used in our premium sports car designs.

Veloster's 6-speed EcoShift® Dual Clutch Transmission (DCT) is the kind of advanced technology found on European sports cars. In fact, Veloster is the only normally aspirated car in its class to offer the seamless shifting of a DCT. The optional 6-speed automatic includes paddle shifters that offer added control over a sportier driving experience.

Helping to handle the responsibilities of power are Vehicle Stability Management, which works in tandem with the Traction Control System and Motor Driven Power Steering to add confidence-inspiring stability around every corner.² Another technology, Torque Vectoring Control, automatically detects understeer on Veloster Turbo and works to correct it with imperceptible brake modulation. All of which contribute to the Veloster and Veloster Turbo's 2014 5-Star Overall Safety Rating.³

¹ From 2014 Hyundai Veloster Review on Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. ² Vehicle Stability Management (VSM) cannot control your vehicle's stability under all driving situations. VSM is not a substitute for safe driving practices. No system, no matter how advanced, can overcome physics or correct poor driving. The driver is always responsible for controlling the vehicle and must use caution to avoid loss of control in all driving conditions. Speed, road conditions and driver steering input will affect whether VSM can help prevent loss of control. See Owner's Manual for details. The Traction Control System is meant to enhance conscientious driving habits and is not a substitute for safe driving practices. ³ Government star ratings are part of the National Highway Traffic Safety Administration's New Car Assessment Program (safercar.gov).

PERFORMANCE AND SAFETY HIGHLIGHTS

(See specifications section for availability by model)
